to register, learn more about the event,  
sponsor, or donate. Thank you!

Join us Oct 12, 2024, to raise awareness, promote independence, and celebrate achievements.

The White Cane Walk raises awareness about the obstacles encountered by persons with vision impairment or blindness and plays a critical part in emphasizing the importance of establishing a safe environment for individuals who use a white cane or guide dog.

It's more than a walk; it's a step towards support, inclusivity, and understanding.
